

Price list SPITA ResQ-plast 2022

SPITA ResQ-plast is a medical approved bandage/plaster you may apply direct onto the skin to cover a bleeding* wound.

It can also be used as prevention for cuts when using sharp objects.

SPITA ResQ-plast is very useful on jobs where (a lot of) water, soap, grease, oil and cleaning agents are used (kitchens, cleaning, workshops, factories, etc.).

Details can be found on our website, or requested by sending an e-mail to: sales@spita.eu.

***We recommend the use of an appropriate disinfectant on a bleeding wound first!!**

ResQ-plast Professional 25mm x 4,50m (width x length)

This 25mm product is ideal to wrap on fingers, but is also flexible to wrap around the tip of the finger. It can be used on dirty, oily or greasy fingers in order to stop a bleeding immediately.
