

Price list SPITA ResQ-tape Electrical 2022

SPITA ResQ-tapes come in a wide range of different products. Some products are designed for general use, while some other products are specially designed for a designated application. Details can be found on our website, or requested by sending an e-mail to: sales@spita.eu.

ResQ-tape Electrical 25mm x 7,5m x 0,25mm (width x length x thickness)

This product is specially designed for electrical insulation and waterproofing electrical connections. The tape is very flexible and can be wrapped on very thin cables and small connectors. It has a high dielectric strength of minimum 5kV per layer. The tape is UV-resistant and all weather-proof. See for more specifications the SPITA ResQ-tape comparison list.
